

## Finding Your Perfect Partner

At **TeedCo.**, we understand the unique challenges you face. With significant demands on your time and limited resources, recruitment can feel overwhelming. That's why we provide a **dedicated consultant** to handle all your staffing needs—making your recruitment process seamless and stress-free.

### Why Partner with TeedCo.?

#### Customized Approach

We work closely with you to implement your staff development plan, tailoring every step of the search to meet your unique requirements.

#### Extensive Resources

Our proprietary database is teeming with an **abundance of candidates**, enabling us to efficiently connect you with top talent.

#### Proven Expertise

With **over 30 years of combined experience** in recruitment and network development, our knowledgeable consultants understand the market and can save you **thousands of dollars** on your search.

#### Fast Results

We take pride in presenting **viable candidates within the first 45 days** of opening your search.

### Our Recruitment Process

#### 1. Tailored Search

We begin by fully understanding your specific needs and goals to create a personalized recruitment strategy.

#### 2. Proprietary Database Access

Leveraging our exclusive database, we connect with both **active and passive candidates** to find the best match for your opportunity.

#### 3. Strategic Marketing

- We strategically place ads on **industry websites and respected journals**.
- Our **targeted mailing program** ensures your opportunity reaches the right audience.
- We market your position across several specialized databases within the **physician and advanced practice provider networks**.

Partner with **TeedCo.** and let us help you find the **perfect candidate** while saving you time, money, and effort.
